The City Council of the City of Lodi met in regular session at 8:00 o'clock P.M. on the date first above written, Councilmen Clark, Keagle, Spooner, Weihe and Steele (mayor) present, none absent.

Loewen Auto Company, bidding on Chevrolet
Krieger Motor Company, bidding on Ford
Lodi Motor Company, bidding on Diamond T
Hansel & Ortman, bidding on G.M.C.
Mitchell, Koenig & Brown, bidding on International
George B. Eckhart, bidding on G.M.C.

Owing to the diversity of the proposals submitted as above, the Council referred the proposals to J.A. Henning, Superintendent of Public Utilities and B.C. Dougherty, Street Superintendent for report and recommendation to be submitted later in the evening.

It appearing that the State Emergency Relief Administration would still furnish labor for worth-while projects involving the employment of labor, the Council ordered approval and submission of applications for repainting street names on curbs, trimming of street and park trees and extension of sanitary and industrial sewer lines by the adoption of the following resolutions:

Resolution No. 737 relating to street name painting; Resolution No. 738 relating to trees and Resolution No. 739 relating to sewers by unanimous vote. (Copies of these resolutions are set forth in full on pages 159 et seq of these minutes)

Mr C. Koltzoff, through the City Clerk, applied for permission to lay sidewalk on De Force Avenue along the curb lines on account of the narrowness of this street. The Mayor ordered the application referred to the City Engineer, with full power to grant the same if he found no objection.

The salary of W.G. Hurrell at Lake Park during the work now in progress was fixed at \$100.00 per month, such rate to date from December 1, 1934; auto allowance to continue as formerly.

Eight building permits aggregating \$5,510.00 were granted.
